Business Opportunity

This opportunity comprises a Morris J Type van which was built in 1954 and subsequently converted for food use a couple of years ago.

The van has been cleverly adapted to provide as much prep and service space as possible, whilst retaining its ability to be driven on the public roads. The van has a sophisticated extraction system that complies with all current legislation and allows the van to offer a range of food options.

The van currently has a pitch at South Shields Rugby Club and pays £200 per month for the permanent site. The van is permitted to trade till 11pm but due to personal choice, only trades 5pm till 10pm Wednesday to Sunday.

The current pitch has potentially high levels of passing trade being visible from Dean Road and close to some schools and colleges. In addition to a permanent pitch, there is scope in the summer to take the van around the festival circuit.

Fixtures & Fittings

Blue seal chargrill, Twin archway kebab machine, Lincat bain marie, Williams prep refrigerator, Gozney Dome S1 and Honda generator.

A full inventory will be made available to bona fide enquiries.

Money Laundering Regulations

In accordance with the current Anti-Money Laundering Regulations the Purchaser will be required to provide two forms of identification and proof of the source of income.
