Location

The premises are located within the Riverwalk centre which is a modern leisure development on the south side of the River Wear, accessed via Framwellgate Bridge.

Durham is an historic City approximately 15 miles due south of Newcastle upon Tyne with the benefit of a mainline railway station and direct access to the A1(M). There is a Cathedral and Castle plus a highly reputable University, all of which draw visitors and tourists into the City throughout the year.

The immediate area of Riverwalk is developing into a predominantly food and leisure destination. New occupiers are scheduled to come into this part of the City and include Brewdog and the Everyman Theatre. The Odeon cinema complex is already open and trading and delivers high levels of footfall to the development.

Business

The premises comprise an attractive kiosk style unit forming part of a terrace of food & retail units. The unit is compact and part fitted and equipped for the trade with a small waiting area, a service counter and the prep area towards the back.

The current tenant operates a daytime only pizza slice due to family commitments, but the site is permitted to trade later. Whilst the kiosk is currently retail only, a delivery service could be offered by new owners and other cuisines could be launched.
