## Location

This business opportunity is located on Double Row which runs off the main A192 towards New Hartley, close to the newly opened railway station.

Double Row is a developing area which offers a range of traditional industrial and commercial space together with a range of modern start up business modules. The site is growing and these spaces are extremely popular with sole traders and practices requiring modern, affordable accommodation.

## Business

This is an established hospitality venue which was launched in April 20201 and then acquired and rebranded by the current operator in 2024. The opportunity has been reluctantly placed on the market as our client wants to move abroad.

The premises are configured to provide a spacious service area to the front which leads through to a pleasant and well-appointed dining area for up to 40 covers. To the front there is an additional outside seating area for another 20 covers and a free car park opposite.

The menu is traditional pizzeria and coffee shop fare plus hot and cold drinks, light bites and daily specials. There is a wood fired oven on site and the owners concentrate on the quality of produce and service.

The ratings and reviews on social media reflect the popularity of the venue and the current hours could easily be extended if necessary.
